

Indiana Water/Wastewater Agency Response Network

INWARN SPONSORSHIP PROGRAM

InWARN is a network of water and wastewater utilities, public and private, that have signed a voluntary, mutual aid agreement to provide aid in the form of utility personnel and equipment to help other member utilities get their water and wastewater facilities back into operation after major emergencies. The initiative is lead by a Steering Committee, none of whom are paid for their involvement. If you believe in our InWARN mission: *“To support and promote statewide emergency preparedness, disaster response, and mutual aid between water and wastewater utilities responding to major emergencies”*, and would like to financially support the initiative please consider becoming a sponsor. Monies received from our sponsors will be used for improving and keeping our InWARN WebPage functioning, for meeting and training expenses, and for education and promotional materials.

The following sponsorship levels are available:

Platinum: \$2,500 or More

Gold: \$1,000 - \$2,499

Silver: \$500 - \$999

Bronze: \$100 - \$499

Sponsorships are for one calendar year.

The following actions will be taken to acknowledge our sponsors unless the sponsor wishes to be anonymous:

- All of the sponsors will receive a sponsorship certificate indicating the year and the level of sponsorship.
- A list of the current sponsors indicating the level of sponsorship will be maintained on the InWARN Home Page at www.inwarn.org.
- Prior to the end of each year the list of the sponsors for that year will be distributed to all of the utility emergency management personnel registered in our InWARN WebPage database.
- The list of current sponsors will be published at least once annually in our four sponsoring association's (INAWWA, IWEA, IRWA, and AIRW) news publications.
- Silver, Gold and Platinum sponsors will be mentioned at all InWARN education and training programs.
- Gold and Platinum sponsors will be displayed when InWARN exhibits at meetings and conferences.

To sponsor our InWARN Network please send a check made out to Indiana Section AWWA and indicate on the check that it is for an InWARN Sponsorship.
